7D/6N FLORES OVERLAND TRIP

CODE: 7DFLOVMB1

TRAVEL PERIOD: UNTIL MARCH 31st, 2026

About This Tour

Flores is one of the Lesser Sunda Island, a group of islands in the eastern half Indonesia. Administratively, it forms the largest island in the East of Nusa Tenggara Province. **Flores island is the most fascinating and beautiful island.**

Long hidden in the shadows of its more famous neighbor of Bali and Lombok, take time to marvel at some of the **wonder of Flores.**

Here, there are some traditional village, you can swim in pristine lakes and waterfalls, snorkeling at one of the best sites, plenty of beach such as black white and pink beaches, go kayaking among craggy coasts and mangrove shores, hiking at the Volcano mounts, explore mysterious caves and be warmly welcomed by the island's people in their rituals, dances and daily life!

About This Tour

Flores is located **east of Sumbawa** and **Komodo Island**, where Komodo island is in East Nusa Tenggara Province.

The national park was found in 1980 to protect the Komodo dragon, the largest lizard in the earth, later it was dedicated to protection other species including marine species. In 1991 the national park was declared a UNESCO world Heritage Site, it is considered **one of the world's 25 biodiversity hotspots**.
